

## BIODIESEL: UNDER THE HOOD WORKSHOP

### WHO SHOULD ATTEND

Workshops will be of interest to:

- On- and off-road fleets and anyone operating diesel engine equipment
- Biodiesel manufacturers, marketers and distributors
- Members of agriculture, forestry, tourism, construction, industrial sectors, government and academia

### WORKSHOP TOPICS

This workshop will cover the essentials of biodiesel including:

- Feedstocks and production
- Markets and successes across Canada
- Blending, handling, storage and distribution
- Quality specifications, standards and issues

### KEYNOTE SPEAKERS

Adam Gagnon - Program Manager, Climate Change Central & BioFleet Alberta

Ken Fryer - Technical Advisor BioFleet, Director 4Refuel Canada & BQ9000 Auditor

### REGISTRATION

Early registration is strongly recommended as space is limited. Please complete the attached registration form and return it along with payment via mail, fax or email. Workshop fee of \$25.00 includes refreshments and materials.

### LOCATION

Athabasca Regional Multiplex, 2 University Ave., Athabasca, Alberta

Free visitor parking is available.
